NaXum 2019-2024

Client Champion/ Sr Frontend Developer / VP of Design

- At NaXum, I have held multiple roles, starting as a Client Champion, which is a Project Manager role, and then being promoted to Sr UX Designer and VP of Design. My responsibilities include building Brandout Laravel, Brandout React Native Mobile App, Brandout CRM, configuring frontend commission pages, developing Brandout shopping carts, coding blogs, enrollment pages, capture pages, and webinars.

2020WordPress 2018--2019

WordPress Frontend Developer - Partime

- My focus was on building a real estate website using WordPress and the Divi theme.

Euncoin 2017-2018

Front-end Developer - Fulltime

- I was the lead front-end developer, responsible for converting websites from PSD to WordPress and Laravel.

Adapt Pages 2017

WordPress Developer - Fulltime

- As a Junior WordPress Developer at Adapt Pages, my first freelance job, I focused on developing blog and eCommerce websites using WordPress.
